

Lighthouse Solutions, Inc. Named to New Jersey Top Business List for 2010

Howell, NJ, May 17, 2010: In recognition of the economic power of privately held businesses, DiversityBusiness.com, the nation's leading business-to-business Internet site, has named Lighthouse Solutions, Inc. one of the top businesses in New Jersey for the second year in a row.

This is the 10th annual listing of New Jersey's top businesses by DiversityBusiness.com. Ranging in revenue size from \$1 million to over \$25 million, the companies listed on the Top Business Lists represent the Nation's top multicultural earners and challenge the long-held notion that a privately held business is small or insignificant. Winners are sought after by major corporations looking to increase spending with small businesses.

"Lighthouse Solutions is honored to be recognized by DiversityBusiness.com as one of the top 100 diverse businesses in New Jersey. We work hard to meet the needs of New Jersey businesses for top quality IT consultants and full time employees. Our success is evidenced by this distinction."

- Lucille Ruffino, Lighthouse Solutions

The winning companies were honored at a special awards ceremony at DiversityBusiness.com's "10th Annual Multicultural Business Conference", which took place April 27 – April 29, 2010 in Washington, D.C..
